Great turnout, brought in net profit of \$7268.83 for the Booster Club. \$1,000 was given to both the Fine Arts Booster Club and the After Prom Committee as well for coordinating volunteers and concessions. Thanks to all who volunteered, as well as to Ryan for all of the hard work to make this happen!
- 5) Golf Tournament update -
 - a. Kick-off meeting held on 2/27/20. River Valley is reserved for 6/19/20 for the event.

- 6) Wrestling expense to note -
 - a. \$460 given to the school to cover state wrestling meals, as well as \$15.00 for Kaden's state shirt.
 - i. What is expectation for tshirts??? - is it just state qualifiers or does it include coaches, spirit squad, etc. Baseball paid for all kid shirts, possibly coaches - softball paid for their own shirts - need to get clarity as we move forward for Spring events this year.
- 7) New Items/Open Discussion
 - a. Visual Kiosk hoping to get done this Spring to replace photos hanging in commons, remove photos and digitize all photos hanging as well as the photos up high for Hall of Fame, etc - can search by sport or last name - allows you to view images and honors; also scrolls daily activities for students - attractive piece for people to view; would allow to repurpose that area; Mayor Peters is in favor- can start with athletics, Fine Arts, etc. and add anything to it. School has \$9,000 to go towards kiosk- need additional \$11,000 - looking for 3 additional groups (Alumni Association, Fine Arts, School, Booster Club) to contribute \$4,000 - would need to put to formal vote- Booster Club is interested.
 - b. Lisa mentioned Booster Club paying part of golf fees for school year? During season they can play - \$4500- typically paid by school.
 - c. PE, athletes involved - weight room in need of additional equipment - could run twice as many people - Rupe requested 2 new benches and 2 new racks (\$7,800) School purchased a new high jump pit- \$6800 (already paid by school)
 - d. Ben sent offer to Coach Book - high end rake for both softball and baseball to replace the drag. \$3900.
 - i. Motion made to pay for rake for baseball/softball fields and passed.
 - ii. Remaining items will be added to April agenda for review.
 - e. Would like to see new cheer uniforms - need uniforms girls would feel comfortable in - right now they are worn/see through approximate cost - \$4000
 - f. All items above except golf, \$26,500 needed to acquire - consider as an option; will check with Griebel to see if they can add PE funds for weight room.
