B. Guests

a. **Matt Dufoe**, Shrine Bowl

Matt is a senior at ADM and a football, basketball and track athlete. He shared that he has been selected to play quarterback for the South team in the Iowa Shrine Bowl held on July 23rd at the Dome in Cedar Falls. With this honor they also request athletes to sell ads in the program. All proceeds go to childrens' hospitals in the Midwest sponsored by the Shriners.

b. **Trevor Irwin**, new Volleyball Coach

Trevor lives in Adel and is a 6th grade teacher at DeSoto. He previously coached at ACGC and was a volunteer coach with the ADM team last year.

c. **Kaitlyn Reams**, new Cheer Coach

Kaitlyn is an ADM Alumni. She previously was the ADM cheer coach, and now is back. Tryouts for next year have already been held and all squads are filled, including bringing basketball cheerleaders back.

d. **Adam Crannell** , Touch Pro System

The Booster Club contributed funds when ADM purchased the Touch Pro system a few years back, so Adam (ADM's Information Systems Technician) came to demonstrate how Touch Pro works and ask for feedback on content for the athletic pages. All pictures previously hung in the Middle School commons have been digitized and uploaded for starters. Going forward, the Athletic Department will be taking on the task of updating team pictures and wall of fame athletes at the end of every sports season.

In addition to the TV in the commons, ADM's Touch Pro can be accessed online at: <https://admschools.touchpros.com> This link will be added to the school website.

C. Committee Reports

a. **Athletics Report** – Rod Wiebers, Activities Director

Spring sports are off to a good start and despite unpleasant weather, all teams have got to compete at least.

Update on wrestling program:

- i. Chris Rupe (assistant football coach, strength and conditioning coach) has taken on the head coach position. Previous head coach Chris Hatchitt, will still be involved with the wrestling operations tasks.
- ii. Looking to start Girls Wrestling with a share agreement with other schools.

The only open coaching positions right now are middle school volleyball.

b. **Financial Update** - Carl Duffy

Minimal activity has taken place lately. Rod to remind coaches to purchase items they requested last fall. Currently we are around \$1600 under budget for purchases to date.

c. **Apparel** - Gretchen Rickert

We have stadium seats available again. These are being sold for \$45 (our cost) through personal contacts for now, as quantities are limited.

A new apparel order went out Friday: https://stores.teamelitesports.com/adm_booster_club/.

A different vendor was used for this order as a trial. The store will close on 4/17 and items should be received on 5/5. We will have to coordinate distribution.

d. **Business Membership Update** - Ryan Case

Our website has been updated so new sign ups will apply to the 2022-2023 school year.

D. New Items / Open Discussion

a. **2022 Golf Tournament** - June 17th (Gretchen)

Date is set for Friday June 17th with a 9 AM shotgun start. The flyer will be posted from school this Friday. A message has been sent to previous team captains, and will be posted on social media. Save the date, as this is a volunteer opportunity to earn money for your team.

b. **Matt Dufoe's Request**

In the past the Booster Club has paid for a \$250 half-page ad. Ryan has made the ad design using a photo supplied by the player.

Ryan Case made a motion to purchase a half-page ad. Adam Doll second the motion, and all sports reps present were in favor. The motion passes, Eric Heitz will coordinate with Matt.

E. Meeting Adjourns

6:41 Ryan Case motion to adjourn, Eric Heitz seconds.
